Proceedings of the Municipal Council, Bellary passed at its ordinary meeting held at 5-30 P.M., on 19th March 1941 at the Municipal Office, Bellary.

----- (F) ~
12. Read again Council's Resolution No.14 dated 10th July 1940 granting license for running the lime-kiln in premises No.194, VI Ward to Mr.S.Abdul Azeez Sahib.

Read Government Order No.Ms.1012 P.H., dated 11th March 1941 directing ^{the municipal Council to show cause} within a fortnight from the date of receipt of the above order why its resolution No.14 dated 10-7-1940 should not be cancelled under Section 36 of the District Municipalities Act, for having granted license for running a lime-kiln in an area located in the midst of human habitations, disagreeing with the views of the Health Officer, that the existence of the lime-kiln is injurious to Public Health.

Resolution No.12 dated 19th March 1941.

RESOLUTION:- The lime-kiln in question is not the only one in the vicinity. There are three lime-kilns in the area and there have existed for over 20 years. The lime-kiln under reference is situated in an open site two sides of which have no residential houses while the other two sides have residential quarters at a distance. Taking these facts into consideration the council granted the license.

Council therefore, requests the Government to allow the resolution under reference to stand.
